

NHCA 35th Annual Conference Outstanding Poster Award Ballot February 25-27, 2010 Orlando, FL

Please rate your favorite posters by using the rating scale below. Please rate each of the four categories (omissions count as zero). Circle the number corresponding to your judgment of the poster for that category. Please use the comments section for additional remarks you may wish to share. Although the ballot is anonymous, individual comments may be compiled and shared with the poster presenter. Your feedback is important to the poster presenter.

When completed, please drop your ballot off at the registration desk.

Poster #1:

“Evaluation of feedback noise through fire department 911 dispatcher headsets”

Chandran Achutan, University of Nebraska Medical Center - USA

Chucri (Chuck) Kardous – National Institute of Occupational Safety & Health- USA

	Poor	Fair	Average	Good	Excellent
Relevance and content	1	2	3	4	5
Poster organization & clarity	1	2	3	4	5
Responsiveness of presenter(s)	1	2	3	4	5
Handout	1	2	3	4	5

Comments: _____

Poster #2:

“Evaluation of Noise Exposure at a Metal Conduit Manufacturer”

Scott Brueck – National Institute for Occupational Safety and Health - USA

Manuel Rodriguez - National Institute for Occupational Safety and Health - USA

	Poor	Fair	Average	Good	Excellent
Relevance and content	1	2	3	4	5
Poster organization & clarity	1	2	3	4	5
Responsiveness of presenter(s)	1	2	3	4	5
Handout	1	2	3	4	5

Comments: _____

Poster #3:

“Field-deployable auditory assessment system for tracking noise-induced hearing loss”

JC Buckey – Dartmouth Medical School - USA

Deanna Meinke – University of Northern Colorado - USA

R.J. Kine-Schoder – Creare Inc. - USA

O.H. Clavier – Creare Inc. - USA

D.L. Alvarenga –Dartmouth Medical School - USA

	Poor	Fair	Average	Good	Excellent
Relevance and content	1	2	3	4	5
Poster organization & clarity	1	2	3	4	5
Responsiveness of presenter(s)	1	2	3	4	5
Handout	1	2	3	4	5

Comments: _____

Poster #4

“Occupational noise exposure and work accidents in a Brazilian city”

Adriano Dias - Botucatu Medical School, Dept of Public Health - Brazil

	Poor	Fair	Average	Good	Excellent
Relevance and content	1	2	3	4	5
Poster organization & clarity	1	2	3	4	5
Responsiveness of presenter(s)	1	2	3	4	5
Handout	1	2	3	4	5

Comments: _____

Poster #5:

“Daily noise exposures among college-level musicians”

Greg Flamme – Western Michigan University - USA

Edward Roth – School of Music; Western Michigan University - USA

Amanda Nordgren – Department of Speech Pathology and Audiology; Western Michigan University - USA

Kristy Neiters – Department of Speech Pathology and Audiology; Western Michigan University - USA

	Poor	Fair	Average	Good	Excellent
Relevance and content	1	2	3	4	5
Poster organization & clarity	1	2	3	4	5
Responsiveness of presenter(s)	1	2	3	4	5
Handout	1	2	3	4	5

Comments: _____

Poster #6:

“Hearing thresholds by age, gender, frequency, and ethnicity in non-industrial noise exposed adults”

Greg Flamme – Western Michigan University - USA

Kristy Deiters – Department of Speech Pathology and Audiology; Western Michigan University - USA

	Poor	Fair	Average	Good	Excellent
Relevance and content	1	2	3	4	5
Poster organization & clarity	1	2	3	4	5
Responsiveness of presenter(s)	1	2	3	4	5
Handout	1	2	3	4	5

Comments: _____

Poster #7:

“Evaluating Tinnitus in Industrial Hearing Loss Prevention Programs”

Luciara Giacobbe Steinmetz – Universidade Tuiuti do Parana - Brazil

Bianca Simone Zeigelboim - Universidade Tuiuti do Parana - Brazil

Jair Marques - Universidade Tuiuti do Parana - Brazil

Thais Morata – National Institute for Occupational Safety and Health - USA
Adriana Bender M. Lacerda - Universidade Tuiuti do Parana - **Brazil**

	Poor	Fair	Average	Good	Excellent
Relevance and content	1	2	3	4	5
Poster organization & clarity	1	2	3	4	5
Responsiveness of presenter(s)	1	2	3	4	5
Handout	1	2	3	4	5

Comments: _____

Poster #8:

“Hearing Impairment after Prolonged Exposure to Noise. A Retrospective Study in Pilots”

Aram Hellstadius - Karolinska Institutet Section of Audiology, Dept of Clinical Science, Intervention and Technology – Sweden

Ann-Christin Johnson – Unit of Audiology, Karolinska Institutet - Sweden

	Poor	Fair	Average	Good	Excellent
Relevance and content	1	2	3	4	5
Poster organization & clarity	1	2	3	4	5
Responsiveness of presenter(s)	1	2	3	4	5
Handout	1	2	3	4	5

Comments: _____

Poster #9:

“Spectrotemporal Integration in Normal and Hearing Impaired Listeners”

Evelyn Hoglund – Ohio State University, Department of Speech and Hearing - USA

Lawrence Feth – Ohio State University, Department of Speech and Hearing Science - USA

	Poor	Fair	Average	Good	Excellent
Relevance and content	1	2	3	4	5
Poster organization & clarity	1	2	3	4	5
Responsiveness of presenter(s)	1	2	3	4	5
Handout	1	2	3	4	5

Comments: _____

Poster #10:

¿Oyes y Entiendes?: Communication Strategies Between Occupational Hearing Conservationists and Spanish-Speaking Workers

Emily Wakefield - University of Northern Colorado, Greeley - USA

Deanna K. Meinke - University of Northern Colorado, Greeley - USA

Kathryn Bright - University of Northern Colorado, Greeley - USA

Mark Guiberson - University of Northern Colorado, Greeley, CO - USA

Hortensia Soto-Johnson - University of Northern Colorado, Greeley - USA

	Poor	Fair	Average	Good	Excellent
Relevance and content	1	2	3	4	5
Poster organization & clarity	1	2	3	4	5
Responsiveness of presenter(s)	1	2	3	4	5
Handout	1	2	3	4	5

Comments: _____

Poster #11:**“The effect of recreational noise exposure and hearing loss in youth”***Hannah Keppler - Ghent University/ Faculty of Medicine and Health Sciences/ ENT Department - Belgium*

	Poor	Fair	Average	Good	Excellent
Relevance and content	1	2	3	4	5
Poster organization & clarity	1	2	3	4	5
Responsiveness of presenter(s)	1	2	3	4	5
Handout	1	2	3	4	5

Comments: _____

Poster #12:**“Validity of a temporary threshold shift (TTS) detector for use in iPods and other portable audio devices”***Chantal Laroche – Hearing Research Laboratory, University of Ottawa - Canada**Chrystal Vegiard – Hearing Research Laboratory, University of Ottawa - Canada**Christian Giguere - Hearing Research Laboratory, University of Ottawa - Canada**Les Blomberg - Hearing Research Laboratory, University of Ottawa - Canada*

	Poor	Fair	Average	Good	Excellent
Relevance and content	1	2	3	4	5
Poster organization & clarity	1	2	3	4	5
Responsiveness of presenter(s)	1	2	3	4	5
Handout	1	2	3	4	5

Comments: _____

Poster #13:**“Speech-in-noise screening tests by internet; improving test sensitivity for noise-induced hearing loss”***Monique Leensen – Clinical and Experimental Audiology, Academic Medical Centre - Netherlands*

	Poor	Fair	Average	Good	Excellent
Relevance and content	1	2	3	4	5
Poster organization & clarity	1	2	3	4	5
Responsiveness of presenter(s)	1	2	3	4	5
Handout	1	2	3	4	5

Comments: _____

Poster #14:**“Environmental noise level analysis of call center station”***Teresa Momenshohn – Santos – IEAA – Institute of Hearing Studies - Brazil**Marielaine Gimenes - Santos – IEAA – Institute of Hearing Studies - Brazil**Valerie Moura - Santos – IEAA – Institute of Hearing Studies - Brazil*

	Poor	Fair	Average	Good	Excellent
Relevance and content	1	2	3	4	5
Poster organization & clarity	1	2	3	4	5
Responsiveness of presenter(s)	1	2	3	4	5
Handout	1	2	3	4	5

Comments: _____

Poster #15:**“The use of Personal sound stereo system and the presence of tinnitus”***Teresa Momenshohn – Santos – IEAA – Institute of Hearing Studies - Brazil**Mariana Nogueira – Santos – IEAA – Institute of Hearing Studies - Brazil**Camila Lamas – Santos – IEAA – Institute of Hearing Studies - Brazil**Marianne Gutierre Molinaro– Santos – IEAA – Institute of Hearing Studies - Brazil**Thaysa Freitas – Santos – IEAA – Institute of Hearing Studies - Brazil**Gabriela Bueno – Santos – IEAA – Institute of Hearing Studies - Brazil*

	Poor	Fair	Average	Good	Excellent
Relevance and content	1	2	3	4	5
Poster organization & clarity	1	2	3	4	5
Responsiveness of presenter(s)	1	2	3	4	5
Handout	1	2	3	4	5

Comments: _____

Poster #16:**“Tinnitus and auditory complaint in a population that attends noisy exposure”***Teresa Momenshohn – Santos – IEAA – Institute of Hearing Studies - Brazil**Larissa Poli Moreira – Santos – IEAA – Institute of Hearing Studies - Brazil**Mariana Pelegrini Biserra – Santos – IEAA – Institute of Hearing Studies - Brazil**Andrea Paz – Santos – IEAA – Institute of Hearing Studies - Brazil**Neury Hayashi – Santos – IEAA – Institute of Hearing Studies - Brazil*

	Poor	Fair	Average	Good	Excellent
Relevance and content	1	2	3	4	5
Poster organization & clarity	1	2	3	4	5
Responsiveness of presenter(s)	1	2	3	4	5
Handout	1	2	3	4	5

Comments: _____

Poster #17:**“Auditory sensitivity to individuals with opiate abuse and noise exposure”***Vishakha Rawool – Dept. of Speech Pathology & Audiology, West Virginia University - USA**Carrie Dluhy – Virginia Medical Center - USA*

	Poor	Fair	Average	Good	Excellent
Relevance and content	1	2	3	4	5
Poster organization & clarity	1	2	3	4	5
Responsiveness of presenter(s)	1	2	3	4	5
Handout	1	2	3	4	5

Comments: _____

Poster #18:**“Reduced Susceptibility to Noise in Carriers of German Waltzing Guinea Pig”***Asa Skjonsberg – Dept of Clinical Sciences, Intervention and Technology - Sweden*

	Poor	Fair	Average	Good	Excellent
Relevance and content	1	2	3	4	5
Poster organization & clarity	1	2	3	4	5
Responsiveness of presenter(s)	1	2	3	4	5
Handout	1	2	3	4	5

Comments: _____

Poster #19:

“Long-term occupational noise and antihypertensive medication: a register-based study”

Z.A. Stokholm – Danish Ramazzini Center, Dept of Occupational Medicine, Aarhus University Hospital - Sweden
H.A. Kolstad – The Swedish Armed Forces, The Occupational Health Center at the Garrison of Halmstad - Sweden
K.L. Christensen - Department of Internal Medicine and Cardiology, Aarhus University Hospital - Sweden
J.P. Bonde - Department of Occupational and Environmental Medicine, Copenhagen University, Bispebjerg Hospital - Sweden

	Poor	Fair	Average	Good	Excellent
Relevance and content	1	2	3	4	5
Poster organization & clarity	1	2	3	4	5
Responsiveness of presenter(s)	1	2	3	4	5
Handout	1	2	3	4	5

Comments: _____

Poster #20:

“Employee satisfaction with two sound transmission HPDs”

Jennifer Tufts – University of Connecticut; Dept of Communication Sciences - USA

	Poor	Fair	Average	Good	Excellent
Relevance and content	1	2	3	4	5
Poster organization & clarity	1	2	3	4	5
Responsiveness of presenter(s)	1	2	3	4	5
Handout	1	2	3	4	5

Comments: _____

Poster #21:

“Unintentional Traumatic injury and hearing acuity among central Ohio cash grain farmers: A Case-Control Study”

Marie Vetter – Chicago Hearing Services - USA

	Poor	Fair	Average	Good	Excellent
Relevance and content	1	2	3	4	5
Poster organization & clarity	1	2	3	4	5
Responsiveness of presenter(s)	1	2	3	4	5
Handout	1	2	3	4	5
